## BELGIAN IMMIGRATION MOVE WIDELY ENDORSED

Robert F. Shelden Calls Committee Meeting to Be Held November 24

Robert F. Shelden, chairman, has called a meeting of the Belgian immigration committee, to be held at the Piedmont hotel on the morning of November 24. It is the purpose of Mr. Shelden and his associates in the movement to make the meeting state-wide in its scope, and it is their wish that all interested in the movement join in the conference.

The movement, combining, as it does, humanitarianism with business, already has assumed proportions far greater than its originators expected. In consequence, the executive committee has moved headquarters, No. 112 Grant building, to handle the growing correspondence from all over the state with reference to the immigration to Georgia of sold, substantial Belgian families whose homes have been devastated by the German invasion.

Mr. Shelden, as chairman, has enlisted the aid of a corps of assistants in the work, and the share generally that a state-wide conference should be held in Atlanta, in order that all persons interested in the movement may be fully informed as to what has been accomplished and the possibilities of the undertaking.

It is the wish of the executive committee that kind, owners, large and small, communicate with the headquarters at the earliest possible moment, and furnish information as to the number of Belgians immigrants their lands will accommodate, and the terms upon which they are willing to cooperate in bringing to Georgia these desirable aliens.

The committee has assurances from many sections of the state that farmers, auctioneers, boards of trade, county commissioners, town councils and like organizations expect to be represented at the meeting by regularly appointed delegates. It is important that the executive committee be notified as speedily as possible as to the personnel of these delegations, so that arrangements may be made for their attendance upon the meeting.

The executive committee already has received assurances of co-operation from a number of prominent Atlanta citizens, as follows:

James R. Gray, Clark Howell, John Temple Graves, J. D. Price, Walter O. Cooper, A. M. Smith, W. H. Allen, J. D. Gortawsky, W. H. Leiby, Dr. W. S. Kendrick, P. W. Clarke, Dr. R. L. May, Henry J. DeWitt, W. W. Croxson, W. T. Gentry, John D. Little, J. W. Hink, Martin F. Amoroso, George P. Howard, Julian Field, J. T. Holliman, H. G. Hastings, J. B. Smith, R. A. Henshall, A. B. Sims, Moll R. Whitson, R. F. Maddox, L. J. Daniel, Dr. W. J. Blalock and others.

Mrs. S. E. McClellan Dead

Mrs. S. E. McClellan, eighty-nine years old, died Monday night at her residence, 212 Simpson street. She is survived by one daughter, Mrs. J. T. Wright, and three granddaughters, Mrs. W. H. Lewis, Mrs. D. L. Dush and Mrs. W. H. Lewis. The funeral will be held Wednesday afternoon at 2 o'clock from the home, and interment will be in Oakland cemetery. Rev. William Bell and the Rev. C. D. Stone will officiate.

## Pastor to Break Ground Under Light of Candle For Methodist Church

By lamp and candle light, members of the congregation of the Oakland City Methodist Episcopal church will watch their pastor, Rev. H. L. Underwood, break ground for the new church building at 7:30 o'clock Wednesday night. Friday night the Ladies Aid society of the church will give an oyster supper in a building adjoining the fire engine house on Lee street, the proceeds of which will help in the erection of the new church.

## INNES AND WIFE MAY BE BROUGHT HERE SOON Charge of Conspiracy to Murder Likely to Be Dropped

The application of Victor E. Innes and his wife to fix a date for their trial on charges of conspiracy to murder, Elsie Nelms Deane and Beatrice Nelms, missing daughters of Mrs. John W. Nelms, will be heard in the Texas courts at San Antonio on Wednesday. The Inneses are charged with the murder of John W. Nelms and his wife, and the charge and bringing the pair to Atlanta for a trial on charges of larceny after their arrest in the superior court here.

Detective John Starnes of Atlanta, in the superior court here, is still in San Antonio, waiting in hopes of dissolving a superior court injunction which at present prevents his bringing the prisoners here. The injunction was obtained on the ground that the Inneses are charged in Texas with a more serious crime than securing a conviction on the conspiracy charge and for that reason the members of the Nelms family are anxious to extradite the pair, and have them tried here.

If a date for trial is fixed after the hearing of the application Wednesday, the Atlanta office will have to wait until after the trial before making an effort to bring the prisoners to this city. It is probable, however, that the state's attorney will try to quash the indictment in Texas, and then Detective Starnes will serve his extradition papers.

Colored Brown, with his sons, Edward and Henry, leaves Tuesday afternoon for Norwalk, where they will be joined by Mrs. Moore and Miss Marjorie Brown, who are now in New York city.

Mr. Mitchell has many friends in Atlanta, having visited often at the home of Colonel and Mrs. Brown. News of his death will be received with keen grief by all who knew him.

## ATLANTA DISPLAY MEN FORM AN ASSOCIATION

New Body Will Work With Ad Men's Club and Advertisers

A new force in the civil and commercial life of Atlanta sprang into existence at the chamber of commerce Monday night with the organization of the Display Men's association of Atlanta. The idea of the association originated with John C. Mackey, of M. Rich & Bros. Co., who was elected president. Other officers of the association are S. S. Wood, Elsmann Brothers, vice president; S. S. Lower, Rhodes-Wood Furniture company, secretary and treasurer.

The membership represents every store in Atlanta, and is a medium of merchandising. The idea of the organization originated with Mr. Mackey in the realization that a "thing properly shown is half sold," and a desire for cooperation between the display men and the advertisers. Mr. Mackey's suggestion met with a ready response from other display men in Atlanta, resulting in the meeting and organization Monday night.

The association will bend its efforts in co-operating not only with the advertisers in its efforts to sell goods, but also with the Atlanta Ad Men's club, the Retail Merchants' association and the Atlanta Chamber of Commerce in carrying out such ideas as may be suggested from time to time, anticipating necessary decorations for conventions held in the city.

The membership of the association is listed below:

Charles T. Hart and J. P. Bonner, of Chamberlin-Johnson-Dubose company; John C. Mackey, of M. Rich & Bros. Co.; J. K. Combs, of Davidson-Paxon-Stokes company; A. B. Simpson, of Haverly Furniture company; S. S. Wood, of Elsmann Brothers company; Henry Berg, of Pollock & Berg; Earl Standwood, of J. Elsmann & Sons Co.; E. K. Barnes, of Barnes Brothers; Ray Taylor and W. H. Smith, of Daniel Brothers company; S. S. Lower, of Rhodes-Wood Furniture company; L. E. Stansbury, of Keely company; Mr. Bailey and Mr. Stewart, of S. H. Kress company; Mr. Redding, of Fred Stewart shoe company.

**CONTEST OVER ELECTION OF SENATOR FROM SECOND**

T. J. Harrington Tells Governor He Will Protest Election of J. B. Way

T. J. Harrington, of Ludowici, Liberty county, has given notice to the governor of his intention to contest the election of J. B. Way, of Hinesville, as state senator from the Second district. The Second district comprises the counties of Liberty, McIntosh, Tattnall and Toombs.

J. B. Way, the Democratic nominee, has been declared elected and the returns from the counties of the district as made to the state officers will give him a substantial majority over Mr. Harrington, who is said to have lost the election as an independent.

In his letter of protest to the governor Mr. Harrington does not state the grounds upon which he intends to bring a contest. The governor will refer the matter to the state senate next summer, which will pass upon the merits of the contest.

## Prisoners Will Not Be Paraded Before National Road Men

The Fulton county commissioners have decided to abandon the plan of parading the county convicts past the National Road men.

They fear such a parade might be misunderstood and cause undesired criticism of the city and the county. In fact, some complaints already have been heard from Atlanta people, who take the county road-walkers as a sign of unfortunate circumstances should not be made the feature of a display of the county road-walkers during a holiday. The commissioners feel sure the convicts would give them a day's holiday and a glimpse of something different from their routine daily grind. Indeed, the convicts were looking forward to the parade with happy anticipation.

## SPECIAL SHOES TO KEEP HORSES ON THEIR FEET

Atlanta Humane Society Would Help Horses From Slipping

First aid to mules and horses which have fallen on the streets, in the way of especially constructed shoes, which will not slip, is to be rendered by the Atlanta Humane society. A vote has been decided upon at a meeting of the executive committee Monday afternoon.

The society is preparing to purchase several dozen shoes, which can be easily slipped over the hoofs of the animal, and will then make it possible for the animal to rise and continue on its way regardless of the slickness of the street. The action was taken because of the large number of horses and mules which on rainy days slip and fall on the streets of the city, especially on the wood block pavements.

It is the plan of the Humane society to place a number of the patent shoes in drug stores and other places on the streets paved with wood block, especially where there is a steep grade. The shoes are to be loaned to the owners and returned after the animals have successfully navigated the slippery places.

## BIRMINGHAM JUDGE IS ROBBED ON TRAIN

Asks Atlanta Police to Aid in Capturing Smooth Pickpocket

Judge J. T. Lowry, recorder at the second police precinct in Birmingham, has requested the Atlanta police to assist him in locating the man who on last Sunday night picked his pocket of a purse containing \$50.

Judge Lowry was on a train en route from Birmingham to Atlanta when his pocket was picked. He was going to Woodstock, Ga., to attend his mother's funeral and had to change trains here. When he left the Birmingham train at the station in Atlanta, he missed his purse. He says this train went to Jacksonville and that the police there have also been asked to keep a lookout for the pickpocket.

## POLK COUNTY VOTED FOR DEMOCRATIC NOMINEES

J. O. Wynn, of Cedartown, Corrects Error Published by Several Papers

J. O. Wynn, of Cedartown, has written The Journal requesting that it correct the statement that Polk county went against the Democratic nominees in last Tuesday's election. This statement has been published in several of the papers, and Mr. Wynn says it does an injustice to Polk county, which went for all the Democratic nominees by a good majority.

The Journal also continues to receive letters stating that Turner county gave the Democratic ticket a substantial majority. Like Polk county was at first said to have gone against the Democrats, but it later developed that this was not the case and The Journal published a correction which evidently has not been seen by those citizens who are still asking that Turner be set right.

## MOTHER SUPERIOR ROSARY HILL HOME

Tells How Vinol Restores Strength and Vitality to the Weak, Worn-Out Ones in Her Charge

Rosary Hill Home, Hawthorne, N. Y. "I have been at work among the sick and poor for nearly eight years, and whenever I have used Vinol for my own weakness, or for the weakness of my patients, a young woman, who was so weak for so long, and was leaning on my friends' arm, I supplied Vinol to her. It was very effective. In a short time she was strong, her color changed, and her cheeks rounded out. These were the only people who knew about Vinol. There is nothing makes me happier in the world than to see a weak person become strong. Mother M. Albion Lathrop, O. S. N. Hawthorne, N. Y.

Such disinterested and reliable testimony should convince every one of the merits of Vinol, a delicious and strengthening tonic for all weakened and nervous conditions, whether caused from overwork, worry or chronic coughs and colds. If Vinol fails to benefit you, we will return your money. Elkin Drug Co., Atlanta, Ga. NOTE—You can get Vinol at the leading drug store in every town where this paper circulates. (Adv.)

## BIG DINNER TO CELEBRATE GEORGIA PRODUCTS DAY

Senator Hoke Smith Will Be  
Principal Speaker at Audi-  
torium November 18

In celebration of Georgia Products day, November 18, inaugurated a year ago with great success by the Georgia chamber of commerce, the main feature in Atlanta will be an immense public dinner, served by members of the Joseph Habersham chapter of the D. A. R. in the auditorium-armory at 1 o'clock.

At least 1,200 people are expected to be present at this dinner. The price for what will be served, is to be 50 cents a plate. No doubt the Georgia products will appear, and these, like the best Georgia products—hams, beef, pork, yams, potatoes, corn, and other products, including 85 organizations and a membership of 8,000, will be the dinner a big success, many of the members having arranged to dine in the armory with their families and friends. The public generally is invited.

The Ad Men's club, the Rotary club and the Atlanta chamber of commerce have been invited to hold their luncheon for that week at the Georgia products dinner.

November 18, 1915, the first Georgia products day was celebrated in 45 cities and towns. This year, the Georgia chamber of commerce expects still larger celebrations.

## BANKRUPTCY PETITION AGAINST LUMBER FIRM

SAVANNAH, Ga., Nov. 10.—Involuntary proceedings in bankruptcy were instituted in federal court here against the South Georgia Lumber company by the First National Bank of Savannah, Ga., the Hudson County National bank of Jersey City, and the Chesapeake Canal Trust company of Baltimore, N. Y. which, it is said, held notes for \$23,071, \$35,229 and \$32,430, respectively. The lumber company has a large plant near Savannah and another in Bryan county. Maynard A. Cheney, of Egypt, Ga., is president of the South Georgia Lumber company. It is alleged the lumber company is insolvent and committed an act in bankruptcy last August by transferring practically all of its property to the Seaboard Lumber company. It is charged the transfer was with intent to "cheat, delay and defraud" the creditors.

## FUND FOR CHARITIES IS NEARING COMPLETION

Good Results Are Obtained  
From Letter and News-  
paper Campaign

As a result of the business men's campaign to rescue the Associated Charities by personal solicitation, special delivery letters and coupons in the newspapers, \$15,399.91 of the \$20,000 needed to place the organization on a sustaining basis has been raised.

By the end of this week, according to J. M. Hoxey, vice chairman, it is hoped the entire amount will be completed, provided other answers to the special delivery letters are as fruitful as those so far received.

In reply to the letters mailed out Monday morning, \$1,153.49 had been received. \$70 from the coupons printed in the papers Sunday and Monday. The coupon subscriptions were from \$5 to \$20. It is believed that there are hundreds of people in Atlanta willing to give \$1 or more to the cause, still to be heard from.

VICTORIA, Tex., Nov. 10.—Louis Priar, a negro, barricaded himself in a cabin in there about daylight today and kept at a posse of 200 officers and several volunteers for more than an hour. He killed himself after being mortally wounded.

The trouble started when Priar killed two negroes, wounded two others, and one of them white. He killed Willie Brown, a negro woman with whom he resided, and also Tom Allen, a negro, who tried to protect her.

Both are expected to recover. Priar then barricaded himself in the Brown woman's house. More than 200 shots were fired into the building before the negro killed himself.

When arraigned on a charge of shiplifting, Mrs. J. E. McDuffie, a well dressed young woman, told a jury in the criminal division of the superior court Monday that she broke down under the approved form of the third degree administered by a woman detective and confessed to a theft she had never committed.

Mrs. McDuffie declared that after her arrest she was continually "bothered" by the woman detective, who threatened the arrest. She did not claim that she offered any violence, but said that she could not stand the repeated visits during the five days of her stay in jail, of the detective.

## Thank the Smoke for Indian Summer Days, Says the Weather Man

There's a reason for all this Indian summer weather we're having now in Atlanta, weather which continues warm white cities south of Atlanta are swept by chill breezes.

The reason—simply smoke. That's the opinion of C. P. von Herrmann, the weather man. "Monday night it was 38 degrees in Augusta," he said Tuesday. "And down in Jacksonville and south Georgia the mercury dropped to 22 degrees. But it was only 42 in Atlanta. Why?—Just this nice, warm, blanket of smoke that hangs over Atlanta. It's great, isn't it?"

Fair and slightly warmer was his prediction for Wednesday. No rain in sight, and balmy weather should continue during the remainder of the week.

## Woman's Conference on Roads Interesting Event of Tuesday

Club women, delegates and visitors to the American road congress gathered Tuesday morning in the ball room of the Hotel Ansley to attend the meeting of the women's auxiliary to the good roads congress, held between the hours of 10 and 2 o'clock. Brilliant addresses were given and in each one was stressed the importance of each condition of the roadways in the effect upon the life of the country.

Mrs. Robert B. Hays, chairman of the woman's department of the road congress, presided and introduced each speaker. Mrs. John Marshall Sloan delivered the address of welcome in a graceful and charming manner.

An interesting speech was made by Mrs. Logan Pitts, chairman of the civic committee of the state federation. Besides giving statistics of interest, Mrs. Pitts described the interest taken by the women of the west in the roads movement. These women are not only vitally concerned with the condition of the roads, but are striving to interest the little children and are training them to scatter seeds and to plant shrubs and vines in every available place.

"Why and How Women Should Further the Road Movement," was the subject of the short talk made by Mrs. Raw, state highway commissioner of the state of Washington. Mrs. Raw stated her earnest conviction that women could lend more vital aid in the matter of good roads than even men, and urged the co-operation of all women in the undertaking.

Mrs. Nellie Peters Hall represented Mrs. J. I. Fitzpatrick, president of the Georgia state federation, who was prevented from attending.

Mrs. Black struck an optimistic note when she spoke of the good condition of Georgia roads—what there was to commend. She described a recent automobile trip in which for many miles Georgia con-

ditions were like a boulevard. Many valuable points were brought up by Mrs. Black upon the relation of good roads to child welfare.

Mrs. Charles J. Haden's address on the social side of the highway was received with interest, stressing the fact that good roads make neighbors of all states.

Mrs. John A. Smith, chairman of roads of Hall county, Georgia, and Georgia state chairman of roads in the Congress of Mothers, was one of the speakers. Mrs. Suggs, highway commissioner of Oklahoma, told of the road conditions of Oklahoma and girls in the road clubs of Oklahoma.

Mrs. S. W. Foster, former state regent of the Daughters of the American Revolution, made an interesting address on the National Old Trails Road and explained in a concise manner the ocean to ocean highway movement urged the co-operation of the auxiliary and the National Road congress.

Mrs. Post represented Miss Elizabeth Butler Gentry, of Kansas City, national chairman of the movement organized by the Daughters of the American Revolution. Miss Mitchell, of Missouri, spoke in interest of the Missouri women of the national and local road.

Mrs. M. B. Arnette, chairman of the committee on conservation of the Tennessee federation of women's clubs, held very close attention of her audience. The economic and conservation sides of good roads were the subject of her brilliant address.

## A Message To Women

### Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

### From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y.---"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak."

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Does justice to herself if she does not try this famous Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish, and I hope others who have the same complaint will see it and get their health from your medicine as I did."---Mrs. A. HORNUNG, 91 Stanton St., Buffalo, N. Y.

### Was A Blessing To This Woman.

St. RICHMOND, VA.---"I was troubled with a bearing down pain and a female weakness and could not stand long on my feet. Of all the medicines I took nothing helped me like Lydia E. Pinkham's Vegetable Compound. I am now regular and am getting along fine. I can praise the Compound too much. It has been a blessing to me and I hope it will be to other women."---Mrs. D. TYLER, 23 West Clifton St., Richmond, Va.

### Pains in Side, Could Hardly Stand.

Long, Wis.---"I was in a bad condition, suffering from a female trouble, and I had such pains in my sides I could hardly move. Before I had taken the whole of one bottle of Lydia E. Pinkham's Vegetable Compound I felt better, and now I am well and can do a good day's work. I tell everybody what your medicine has done for me."---Mrs. JOHN THOMPSON, Lodi, Wisconsin.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E. PINKHAM, MEDICAL CO., (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
